the brain. The breath is offensive, sometimes
it is impure, there is tenesmus of the bowels,

most severe symptoms are listed here, but

cases of Catarach, "Cold in the Head,"
Sore Eyes, and Internal Headache.

"Tested Agency from Catarach."

Prof. W. H. HARRISON, of Diana, N.Y., writes: "After ten years of
suffering until agony from catarach, I had no
time, & family, place to go, so I made
myself a small tent in the woods, & was
such a bad time, that every day, towards sunset,
my vision would become so poor, I could
hardly speak above a whisper, & I was moribund
as I could hardly move, & I thought that
nothing could be done for me. Luckily I was
advised to try Dr. Sage's Catarach Remedy, and
I am now a well man. I believe it to be the
only safe remedy for catarach now manu-
factured, and one has only to give it a fair trial to
experience marvellous results and a permanent
cure."

"Constantly Hawking and Spitting."

THOMAS J. RUMMING, Esq., 2002 Pine Street,
Philadelphia, writes: "I was a great sufferer
from catarach for three years. At times I could
hardly breathe, and was constantly hawking
and spitting, and for six last eight months could
not breathe at all. I was nearly dead. I thought
nothing could be done for me. Luckily I was
advised to try Dr. Sage's Catarach Remedy, and
I am now a well man. I believe it to be the
only safe remedy for catarach now manu-
factured, and one has only to give it a fair trial to
experience marvellous results and a permanent
cure."

uable hints to clothing, diet and other matters
of importance, will be mailed, post-paid to any
